MCALLISTER 132 (1975) 370' FLAT DECK BARGE

8000 TON LOAD CAPACITY, RAISED OPERATOR CONSOLE & 4400 METRIC TON WEIGHT

Corporate Assets Inc., is pleased to announce being contracted to sell the McAllister 132, a 370' flat deck barge that was commissioned in 1975 and has worked in the Panama Canal and throughout North America. The barge was equipped with a raised operator's console in the mid 1980's, and has been most recently used in the lumber industry providing support to a major Pulp & Paper Mill in Thunder Bay, Ontario. The vessel currently holds all certifications required to operate in the waterways, and has been well protected in a secure lock where it is currently being stored. This vessel is available for immediate sale and we welcome all reasonable offers for purchase.

PLEASE CONTACT RYAN HAAS AT 416.962.9600 FOR FURTHER SALE INFORMATION.
